

CTP Hoses with Reusable Fittings

CTP Hoses with Reusable Fittings -

CTP offers a variety of Engine and Air Brake hoses. The hoses meet either SAE 100R5 and SAE J1402 standards. They are used in a wide range of engine and brake applications such as medium pressure petroleum based hydraulic service; air and water service; lubrication oils and diesel fuel service. Temperature range from -40C to +70C.

All assemblies are fabricated with reusable fittings.
